Superintendent's Message

Your high school is primarily a school of learning. Not only in the traditional subject areas, but also in the areas of developing good citizenship, responsibility, initiative, and private thinking so that its graduates will be able to cope with the challenging problems created by a changing world. Your school is constantly attempting to enrich its curriculum and extend its extra-curricular program to ensure the development of well rounded individuals who will have the mental abilities and moral aptitudes to meet life's problems adequately.

It is my sincere hope that the Silverton High School this year has been of some small service in helping its students in their development of well integrated personalities so that they may meet the challenges of a changing world successfully.

Sincerely,

Robert Steije

Class History

As the school doors opened in the fall of 1943, Alice, Earlene, Vaughn, Thelma, Chas., and Jimmy were shoved into the first grade.

The next year in the second grade, Darnall and Kathy entered our class. We spent most of our time bringing willows to Miss Holmes; to dumb to realize what they were being used for.

In the third grade we picked up Max and lost Kathy. We spent this year dodging erasers. (remember Mrs. Hammond?)

The fourth grade was a quiet one. Mrs. Williams, at that time Miss Bostick, fresh from Mississippi. Kept us quite interested with stories from the South.

The fifth grade was also a quiet year, Mrs. Rathmell kept us walking the chalk line.

In the sixth, Chas left us for a year and Kathy came back only to leave at the end of that year. We spent this year preparing ourselves for Junior High.

This was the year! We got to move upstairs. Boy, we thought we were wheels!

We were proud to welcome Leita, Patty and Kathy into the eighth grade.

This year we became members of S. H. S., and gained Tommy Sandell from Arkansas. The great day of initiation. The girls wore gunny sack dresses and beer can necklaces. The boys wore skirts. We scrubbed the school bus with toothbrushes and we'll never forget Kangaroo Court.

The Sophomore year Betty Anne entered our class. This year was a very interesting one. We had several parties at the Grand Imperial Hotel and had a spaghetti dinner at Thelma's house given by our sponsor, Mrs. Erickson.

In our Junior year, we were really out to make the dough! First we gave our Junior Carnival, which went over very well, next we raffled a turkey and had a bake sale. Then came our class play, "Peter Beware", which went over with a big bang. After making all this money, we spent the biggest part of it on the Junior-Senior Prom and Banquet, which was the biggest success we could have hoped for. Our theme was the "Stork Club" and the banquet hall was decorated in pink and silver. The theme song was "The Lullaby of Broadway".

Now the biggest year of all has finally arrived. This year we started out by going to Mesa Verde where we had a wonderful time. We then gave the Freshmen a party. We raffled a gun in October and the next month gave "Moonlight and Applesauce", our Senior Class Play. We had loads of fun practicing and it was a big hit. We are now waiting breathlessly for the night of graduation to come, although it will be mighty sad to leave good old S. H. S. and our many friends still in school. We'll always treasure our memories of the wonderful times we've had in the halls and classrooms of the Silverton Public School.

The Class Prophecy

It is the year of our Lord, 1965, 10 years after the date of our graduation. We find our past classmates in many occupations and walks of life. It was on that famous and historic date, May 26, 1955, that we agreed to reunite and inform one another of our progress in this cold, cruel world.

Mrs. George Sylvester Van Snoot III, formerly Foots Jenkins, tells us she has just returned from her trip around the world. During the cold winter months, she makes her home on the French Riviera and in the summer her home is in a cozy little cottage in the Swiss Alps. This is her third marriage.

Jim Hill, Fish and Game Commissioner of Colorado, arrived late today, due to the fact that he was bringing a load of state-owned fish for our banquet tonight. He says he is well and happy and he has a paunch to prove it. P. S. As yet he isn't married.

Coach and Mrs. Vaughn Larson, formerly Betty Anne Forbes, arrived early with their four year old quintuplets; which I might add, are world famous because they are all boys. It looks as if Vaughn, who is coaching at Colorado University, is raising his own ball club.

Coming down the Durango road, we see a caravan of customized cars designed by Max Gurule, who started from scratch at Nick Heidy's service station.

The Dean of Women of Stevens College for Women in Kansas City, Missouri, Patricia Brown, known better as Pat, has just arrived in the company of her chauffeur, Louis Smith I. She tells us she just received her promotion as Dean from a Professor of English in that college.

Mr. Darnall Zanoni has just arrived from his art studio in Greenwich Village, where he has completed many great works of art and even outmoaned the great Mona Lisa. He is accompanied by his model and fiancée.

Mr. Charles McDonald has just arrived from Kentucky where he has just completed his training for the season. As you all know, he holds the world's record for having ridden seven consecutive winners in the Kentucky Derby.

Mr. and Mrs. Robert Davis, Mrs. Davis, the former Kathy Kinterknecht, have just driven up. Bob is now a five star general in the army. They have two darling children. The Davis family is doing fine.

Miss Leita Joyner has just flown in from her home in Colorado Springs, where she is now residing at the Broadmoor Hotel. She has just finished her trip from around the world and tells us she is to be married in the spring.

Miss Alice Peterson flew in from her home in New York City. She controls the chain of her famous drug stores. No doubt you have all sampled the luscious refreshments prepared and served only in Alice's places from coast to coast.

Miss Earlene Clifford arrived from New York where she has just retired from modeling. She tells us she is going to marry her boss in the near future.

Dr. Thomas G. Sandell has arrived from Rochester, Minnesota, where he is the top specialist at Mayo Clinic. He is married to a retired R. N., formerly Victoria Annette Belfry. They have one child, a girl named Vicki Ann, and they appear to be very happy and content.

Class Will

To whom it may concern, on the 26th day of May in the year of 1955,
We the Senior Class, being of sound mind, do hereby list the statement
of our last will and testament.

Jim Hill wills to Larry B. his ability to tell stories, (Bull stories)
in hopes it will improve his weekly column.

Earlene wills her figure to Angie so she can catch herself a man.

Zanoni wills his Alcholics Anonymous Membership Card to Paul Griner
because he is a "party pooper".

Vaughn wills to George B. his ability to study hard and get good
grades so he won't always be flunking out.

Toots wills her cheerleading ability to Lois Cole in hopes she can
have as much fun as Toots did.

Kathy wills her smile to Amaryllis as long as she uses it 500 times
a day.

Tommy wills his ability to laugh at the right time to Pete Gurule.

Betty Anne wills her typing ability to Eleanor Lucero and Irene Baca
so they will be able to graduate next May.

Max Gurule wills his swift feet to Tommy B. in hopes he can manage
the team faster next year.

Pat wills her ability to sing to Elsie Dalla so the chorus teacher
won't always be mad at her.

Leita wills her healthy ways to Gloria Wood so she can always be well
and happy.

Alice wills her ability to make cokes to the up and coming soda jerks
of P. O. P. providing they live up to her reputation.

Chas. wills his height to Donnie G. so he won't have to bend down so
far to kiss Elsie.

We the Senior Class of 1955 will our ability to understand and get
along with each other and have the fun we've had to the future
Seniors of S. H. S.

Farewell

We the Senior Class of 1955 bid our friends and teachers "Farewell."

We have had happy and sad times, but the happy days outnumber the sad ones and they are foremost in our minds.

Now that the doors of good old S. H. S. are closing, we realize more and more what high school means to us. We are very proud to be one of the graduating classes of Silver-ton High School.

We hope that the future graduates hold the honor of graduating from Silverton as high and as proud as the Class of 1955 do.

We will try to use our years of education as the stepping stone to the future with the sincere hope that we will succeed.

We the Senior Class of 1955 bid you "Farewell!"

Motto: "Not finished--just begun."
